### Major road routes

From the M25 take the A21 exit, signposted to Sevenoaks and Hastings, at the M25/M26 split (just east of Junction 5). Follow the A21 past Tunbridge Wells. The A21 swaps between a single lane and dual-carriage way all the way down.

### A21 approach

When approaching from the north, LaplandUK is situated half a mile south of the Lamberhurst roundabout.

When approaching from the south, LaplandUK is situated four miles north of Flimwell.

### A21 to entrance and car park

Watch out for brown sign to Bewl Water and yellow AA signs to LaplandUK. When you see a large LaplandUK sign (on right from the north, on left from the south) turn off A21.

Drive up Bewlbridge Lane for half a mile. Take the first left, by a small hut where you will be directed to the car park.
