Eeko

Nature Collage

For ages 3+

Eeko is Mother Nature's friend.
She cares for all the animals, trees and flowers.
Her hair is the colour of autumn.
Decorate this picture using leaves you find on the ground.

Nature Collage

How to

What you will need

Autumnal leaves, scissors, glue, printer
and your big folk.

1. Print the line drawing of Eeko

2. Go outside to your local park, garden or woods and find as many different coloured autumnal leaves as you can

3. Carefully cut your leaves into shapes so that they fit onto the drawing of Eeko and glue them into place

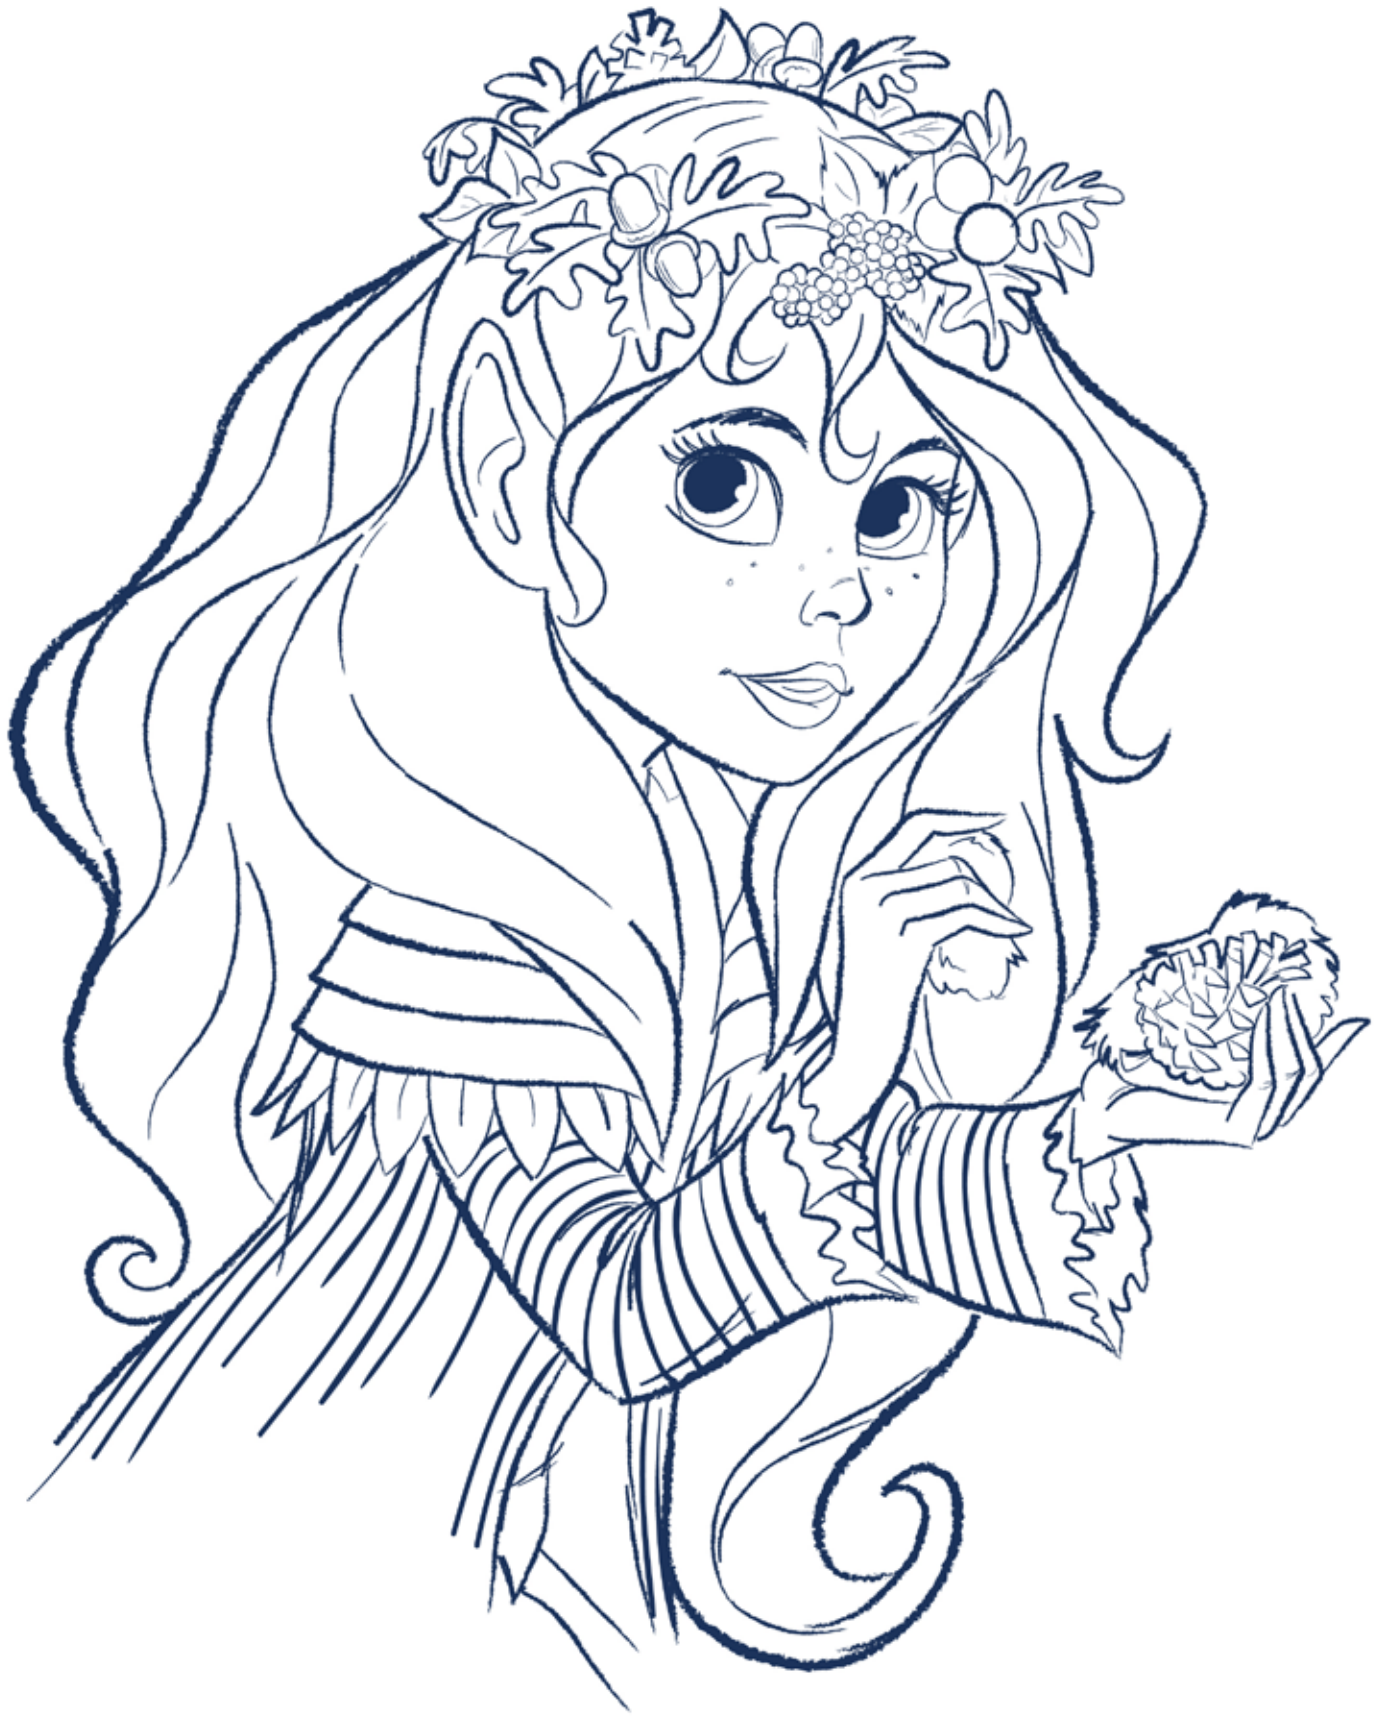

Small note for the big folk!

A quick way to dry your leaves is to place them between two paper towels and put them in your microwave for around 30 seconds

When you've finished this activity, why not share some photos, drawings or stories about your experience with us:

  @laplanduk - activities@laplanduk.co.uk

Please show me what you have made!!
